- Warren ran through the details of the EAA B-17 visit in late May and again asked for volunteers.
- Dave ran through the summer flying schedule and said updates will be posted via email and on Facebook.
- Warren spoke for Ed's Safety Minute: he reviewed his recommendation that all pilots and passengers carry a whistle and a first-aid kit on their person while flying.
- Ron gave an interim report on the recent electronic survey and said the board would be reviewing the information received.
- Brad Pilgrim, in our Know-Your-Warbird segment, spoke on the B-29 and his experience as a Flight Engineer on the CAF's Fifi.
