Kerry suggested add'l signage should we do the expo again: JOIN HERE and AVIATION SCHOLARSHIPS

On the issue of donating a T-6 ride at Expo, JJ suggested we table the topic.

Suggestion was made for Dan to arrange some new air-2-air sorties for updated photos.

Ron spoke about the CAF leadership conference and how CAF was promoting cooperation with other warbird entities. We spend some time discussing how CWB and Rainier could work together in this geographical area without diluting the intentions and purposes of either. There was some concern expressed regarding whether leaders of one organization should serve similarly in the other. No decisions made nor actions taken.

There being no further business, the meeting was adjourned at 3:05 PM.

For the squadron,
