

Minutes of the Meeting of the Membership

9 November 2019, Museum of Flight, Seattle

The CO opened the meeting at 10:15 AM. There were 41 members and guests in attendance.

The CO welcomed the guests and said the vets would introduce themselves later.

The FO hit up all in attendance for 2020 dues, Reno box seat deposits, and banquet money

The FO introduced 2018 scholar Devin Graves.

Devin briefly mentioned his training and said he's completed all phases, waiting only for his PP checkride.

The FO then mentioned the amount of money CWB has invested in scholars over the years and acknowledged another anonymous gift, this one for \$2,000.

The XO mentioned the Nominating Committee is still working on their slate of officers and board members for the January, 2020, election.

The vets rose, one by one, and introduced themselves, each giving a brief history of their service.

The Ops O introduced our featured speaker, Bob Noble. Bob explained quite a bit of the history of Air America and afterwards answered questions for a time. He then handed out AA swag to several CWB members.

The CO invited all to attend our no-host luncheon in the Wings Café and also invited those who were interested to attend the afternoon board meeting.

He then adjourned the meeting at 11:50 AM.

For the squadron,
