Scholarship Match Challenge

From now through March 31, 2021,
each dollar donated to our scholarship program
will be matched, up to \$1600,
doubling the impact of every donation!

The Cascade Warbirds Memorial Youth Scholarship program provides deserving Puget Sound area teenagers with an FAA private pilot ground school course and initial training flights.

Since 2010, Cascade Warbirds and our flying school partners have provided a head start to lifelong careers and passions in aviation to nearly *sixty* deserving Puget Sound area teens. Interested youth submit an application and essay describing their background and aviation goals. Recipients may apply for an additional grant which pays out as the student completes training milestones.

Help create tomorrow's aviators and *double your impact* today. Support CWB's mission to "inspire today's young people to become the aviation pioneers of tomorrow."
