

CWB Member Meeting Minutes, 14 Feb 2026

Meeting was called to order by CO Bob Stoney at 1007, 14 Feb 26 in the Skyline lounge, Museum of Flight, Seattle.

Twenty-three members and one guest, Grant Hasting attended.

CO introduced newly seated board and welcomed membership and guest; delivered overview of the meeting's agenda, speakers, etc.

OpsO, Jay Borella, presented a detailed outline of revamped SOPs for informing CWB membership of upcoming squadron and public events; how to sign up for events; proposals for facilitating intrasquadron communication and organization.

CO presented a Know Your War Bird on the O1/L-19 Bird Dog. He spoke about the airframe's history, how it was named, the niche it filled in U.S. and foreign militaries; and his personal experience as an L19 owner/operator.

Stan "Sundance" Kasprzyk presented a history of the development of the R-7 Red Hawk, including the reason for its procurement, interesting aspects of its development, and his first-hand experience in the program.

CO reminded membership of the:

- Puyallup Aviation Exposition (21-22 Feb), need for table volunteers.
- Arlington Airport fly-in (21-23 Aug).
- Paine Field Community Day (formerly General Aviation Day), 6 Jun.

Meeting adjourned at 1145
